

FREE Real Estate Strategy Call

As a Foundations Family Law client, you're invited to get a **FREE** strategy call for those who need help understanding their housing situation during divorce. Real estate is often one of the largest, and most emotionally charged assets in a divorce, and decisions are often made based on pressure, incomplete information, or well-meaning but inaccurate advice. Amy provides clear, neutral, and informed real estate guidance so clients can fully understand their options before making decisions.

WHAT YOU CAN EXPECT IF YOU WORK WITH HER

- ✓ The implications of selling vs. staying
- ✓ Guidance around valuation and buyout scenarios
- ✓ The logistics and timing of a sale or purchase
- ✓ Connections with trusted area realtors when additional expertise is needed

HOW THIS CALL HELPS

- ★ Provide clarity around your options
- ★ Help you understand what information is needed
- ★ Identify next steps that align with your specific situation
