

FREE Planning Call

As a Foundations Family Law client, you're invited to a complimentary Planning Session, valued at \$200. When you're going through divorce, estate planning may be the last thing on your mind, but it's crucial to update important documents such as your will, power of attorney and healthcare proxy before you start your next chapter. Don't leave your estate until it's too late!

DURING THIS CALL WE WILL...

- ✓ Create a space where estate planning is more approachable and easy to understand
- ✓ Explore what you want, what you need, and what feels aligned for your next steps
- ✓ Review the full list of documents we can help you update and identify which ones apply to your specific situation.

YOU'LL LEAVE FEELING...

- ★ More confident and informed about the estate planning process and what to expect.
- ★ Clear on your wishes for the future and how you want your assets and affairs handled.
- ★ Armed with a clear action plan for the estate planning documents you may need to update or change.
